REMINDER REGARDING THE DOG CONTROL CENSUS

Today marks the important deadline for submitting your Dog Control Census forms. We would like to remind all residents that participation is crucial, even if you do not own a dog,

as this helps us maintain accurate community records and supports effective local governance.

We are thrilled to report a wonderful response from our community, and we sincerely thank each of you for your collaboration in this year's census. As we move forward, our dedicated Dog Control Officer will begin her visits to residents who have not yet submitted their forms, as well as a selected percentage of those who have participated.

Board Meeting

This is a friendly reminder that the Town Board meets tonight at 7pm at the Town Hall. The Board will begin auditing bills at 630pm. These meetings are a wonderful opportunity to stay informed about what's happening in our community and to engage directly with your elected officials.

We look forward to seeing you there, and please feel free to bring any questions or concerns you may have—your voice matters!
